# Fiochetti

**Temperature range** 

## Product technical data sheet

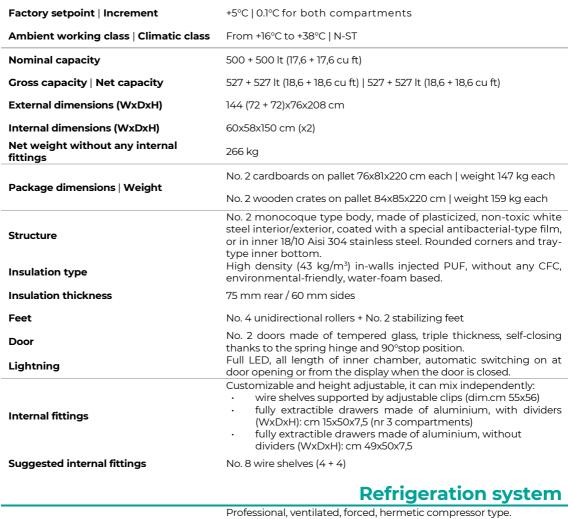

# MEDIKA 2T 1000 ECT-F

Adjustable +2°C / +15°C for both compartments

Caratteristiche generali

Cod. 2x MED0501

| Suggested internal fittings | No. 8 wire shelves (4 + 4)   |
|-----------------------------|--|
|                             | <b>Refrigeration system</b>  |
| Refrigeration               | Professional, ventilated, forced, hermetic compressor type.<br>No. 2 separate and independent cooling systems, one for each compartment. |
| Defrost                     | Automatic, adaptive, including condensate water vaporisation   |
| Refrigerant                 | Natural R290   |
| GWP   ODP                   | 3   0  |

#### Electronic controller

| Controller                        | Controller ECT-F control®   |
|-----------------------------------|---|
| Type of controller                | Electronic controller, back-lit alphanumeric LCD display and resolution 0,1°C   |
| Power switch                      | Integrated in user's interface  |
| Security features                 | Settable user password  |
| Alarm system                      | <ul> <li>Visual and acoustic for temperature alarms and failures such as:</li> <li>Open door</li> <li>High temperature</li> <li>High temperature caused by power failure.</li> <li>Low temperature</li> <li>Power failure (when the energy returns, only in event of High Temperature)</li> <li>Clogged condenser</li> <li>Any functional failure/faulty parts</li> </ul> |
| Data and event recordings         | Last 12 events available on the display   |
| Settable temperature alarm limits | Yes, through parameter adjustment   |
| Control sensors                   | NTC type probes   |

#### **Electrical and functional data**

| Standard power supply                | 230V / 1ph / 50Hz           |
|--------------------------------------|-----------------------------|
| Standard plug type                   | Schuko type "G"             |
| Compressor protection                | Overload Protector included |
| Power absorption/current             | kW 0,17 + 0,17 (Amp 1 + 1)  |
| Inrush current                       | Amp 3 + 3                   |
| Noise level                          | <45 + 45dBA                 |
| Heat emission according to EN 12900  | W 41 + 41                   |
| Hold over time at 20°C ambient (air) | 3,5 h (da +5°C a +15°C)     |
| Energy consumption at 20°C ambient   | 1+1kWh/24h                  |

Conformity

| Directives and regulations | Directive 2006/42/EC (Machine directive)<br>Directive 2011/65/EC (ROHS II)<br>Directive 2015/863/ EC (ROHS III)<br>Directive 2012/19/EC (RAEE)<br>Directive 2014/30/EC (EMC)<br>Directive 2014/35/EC (LVD)<br>Regulation (EU) 517-2014 (F-gas)<br>Regulation (EU) 1907-2006_REACH |
|----------------------------|---|
| Available certificate      | CE  |
| Application environment    | Non-flammable, non-explosive, non-corrosive, with adequate air exchange   |

### Accessories available on request

| Features:       Backup batteries for power failure alarm, up to 48 Hrs<br>Min and Max temperature log, manually resettable<br>High temperature alarm during power failure<br>Refrigerator temperature visible even during power failure<br>Alarm conteat available on control board, remotable<br>Additional programmable relays output available<br>Please refer to LABOR series         Solid type door       Please refer to LABOR series         Additional wire shelf kit       Extractible drawer on telescopic slides         Extractible drawer on telescopic slides       Extractible drawer on telescopic slides         Rack 140x420x150H mm (max 3 per each shelf)       Please refer to LABOR series         Plexiglas front panel for extractible drawer       Castors kit with brakes         Internal Socket (no.1)       Sf mm access port with stopper         Port hole mm 15       Internal Socket (no.1)         Plin00 sensor with free contacts       Internal Socket (no.1)         Mains voltage stabilizer       Internal Socket (no.1)         Power 220V/60Hz       Power 115V/60Hz | Lock with key  |   |
